

Digital Advertising

Digital display advertising is generally reserved for print advertisers and sponsors.

There is a \$500 minimum for non-print advertisers.

Display/Banner Ads

PN offers digital banner advertising. Our ad network is completely localized and we control all the ads that are placed.

Sizes: 728 x 90 px (leaderboard); 300 x 250 px (medium rectangle); 300 x 600 px (half page); 320 x 50 px (mobile) 970 x 250 px (billboard).

We charge \$50/week for all sizes in rotation.

Just want impressions: \$50 per 5000.

We've found the best approach is a campaign that utilizes all sizes with a little different message in each one. Design services are available for \$75/ad.

Banner ads may be submitted in .png, .jpg, embed code, etc., 72 DPI RGB with a link. PN prefers static ads. Animated ads don't always work...

Digital ads may be reserved and purchased at any time if inventory is available.

Check out current digital ads at www.positivelynaperville.com.

Daily Email Newsletter

(Called the Daily Square-Scoop)

Pricing varies depending on size of ad. Prices range from \$100 to \$250/week.

Also Available – Pop-up ads and sponsored content

Contact PN and tell us what you have in mind and we can provide a quote. Pop-ups and sponsored content are all customized.

- PN reserves the right to edit ads for content and formatting; and place stoppage of ads without notification.
- Payment must be received in full for one time open rate banner ads at time of placement.
